The probation officer believes that the offender has violated the following condition(s) of supervision:

Special Condition # 2: You must undergo periodic substance abuse evaluations as directed by your supervising officer and, if indicated by a licensed/certified provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare upon further order of the court. You must contribute to the cost of treatment according to your ability to pay. You must allow full reciprocal disclosure between the supervising officer and treatment provider.

On September 16, 2020, the undersigned was notified by Ms. Ford's substance abuse treatment provider, Camas Path Behavioral Health, that she was unsuccessfully discharged from her substance abuse treatment program due to continuously failing to show to her groups.
